Business Use of Automobile

To be deductible, you must keep thorough mileage records via a "contemporaneous" written log.

Year, Make, & Model	Date Placed in Business	Total Annual Mileage	Commuting Mileage	Business Mileage	Parking	Tolls

If claiming **actual** auto expenses only:

Gas, Oil, Repairs: \$

Licenses, Insurance, Registration: \$

Business Use of Home (Freelance Use Only)

In essence, to be deductible this must be where you physically do the work to earn all or part of your income.

Examples: Voice teachers, writers, video editors, graphic artists, website designers, etc.

***Do not include mortgage payments in the "Rent Paid While A Resident" field. This field is for renters only.**
